Sandee Hernandez symbolizes integrity, hard work and dedication to every detail of your real estate transaction. Born and raised in Los Angeles County, she is very familiar with the area. Her humble sales beginnings started at a very young age. In fact, by the age of 10 she had a route of clients whom she sold lemonade to every week. She found her passion in real estate, and continues to rise in sales year after year. With 15 years of experience in the real estate business, she has successfully helped achieve her client's goals. Due to her dedication, she was recognized by her company with *The Top Producer* and *The Chairman* awards last year.
