Seller _____

At the time the disclosure or disclaimer statement is delivered to you ("the buyer"), you are required to date and sign a written acknowledgement of receipt on the disclosure or disclaimer statement which shall be included in or attached to the contract of sale.

Section 10-702 further provides that a buyer who receives the disclosure or disclaimer statement on or before entering into a contract of sale does not have the right to rescind the contract based upon the information contained in the disclosure or disclaimer statement.

You are hereby notified that, in certain circumstances, you have the right to rescind your contract with the seller if the seller fails to deliver to you the written property condition disclosure or disclaimer statement. Section 10-702 provides that a buyer who does not receive the disclosure or disclaimer statement on or before entering into the contract has the unconditional right, upon written notice to the seller or seller's agent:

- (i) To rescind the contract at any time before the receipt of the disclosure or disclaimer statement or within 5 days following receipt of the disclosure or disclaimer statement; and
- (ii) To the immediate return of any deposits made on account of the contract.

Your right to rescind the contract under Section 10-702 terminates if not exercised before making a written application to a lender for a mortgage loan, if the lender discloses in writing at or before the time application is made that the right to rescind terminates on submission of the application or within 5 days following receipt of a written disclosure from a lender who has received your application for a mortgage loan, if the lender's disclosure states that your right to rescind terminates at the end of that 5 day period.

Your rights as a buyer under Section 10-702 may not be waived in the contract and any attempted waiver is void. Your rights as the buyer to terminate the contract under Section 10-702 are waived conclusively if not exercised before:

- (i) Closing or occupancy by you, whichever occurs first, in the event of a sale; or
- (ii) Occupancy, in the event of a lease with option to purchase.

The information contained in the property condition disclosure statement is the representation of the seller and not the representation of the real estate broker or sales person, if any. A disclosure by the seller is not a substitute for an inspection by an independent professional home inspection company. You should consider obtaining such an inspection. The information contained in a disclosure statement by the seller is not a warranty by the seller as to the condition of the property of which condition the seller has no actual knowledge or other condition, including latent defects, of which the seller has no actual knowledge. The seller is not required to undertake or provide an independent investigation or inspection of the property in order to make the disclosures required by Section 10-702. The seller is not liable for an error, inaccuracy or omission in the disclosure statement if the error, inaccuracy or omission was based upon information that was not within the actual knowledge of the seller or was provided to the seller by a third party as specified in Section 10-702(i) or (j).

You may wish to obtain professional advice about the property or obtain an inspection of the property.

The undersigned buyer(s) and seller(s) acknowledge receipt of this notice on the date indicated below and acknowledge that the real estate licensee(s) named below have informed the buyer(s) and the seller(s) of the buyer(s)' rights and the seller(s)' obligations under Section 10-702.

ii. YOU HAVE THE RIGHT TO EXAMINE THE CURRENT HOWARD COUNTY GENERAL PLAN MAPS AND CURRENT GENERALIZED ZONING MAP.

B. ACKNOWLEDGEMENT BY BUYER:

_____/_____
Buyer Initials Buyer hereby acknowledges that Seller has notified the Buyer of the Buyer's right to examine the current General Plan Maps and current Generalized Zoning Map for Howard County and Buyer understands that in order to become fully informed of current and future roadway improvements and land use plans, Buyer should consult with the Howard County Department of Planning and Zoning, 3430 Courthouse Drive, Ellicott City, Maryland 21043.

E. FAILURE TO PROVIDE GENERAL PLAN MAPS:

i. Buyer is advised that Section 17.502(c) of the Howard County Code provides that the failure of the Seller to provide notice of the availability of the Maps for Howard County shall not cause the Contract to be invalid, void, voidable or otherwise unenforceable by the Seller or Buyer.

ii. Seller is hereby advised that Section 17.504 of the Howard County Code provides that the failure of the Seller to provide notice of the availability of the Maps for Howard County would constitute a violation of Title 24, "Civil Penalties" of the Howard County Code and may result in a Class B offense under Title 24 against the Seller.

2. NEW HOME - RIGHT TO PRE-SETTLEMENT INSPECTION.

A. Not less than fourteen (14) hours nor more than seventy-two (72) hours prior to the date of actual settlement, a buyer of a new home, or the agent of the Buyer, shall have the right to inspect the new home. Not later than fourteen (14) calendar days prior to the date of actual settlement, the Seller shall notify the Buyer, in writing, of the proposed date and time of the pre-settlement inspection. Such written notice shall include three (3) proposed pre-settlement inspection times on at least two (2) different dates. The pre-settlement inspection, unless agreed to otherwise by the Buyer, shall be scheduled to commence between the hours of 10:00 a.m. and 8:00 p.m. The Buyer, upon receipt of the notice of pre-settlement inspection as herein provided from the Seller, shall promptly notify the Seller or the agent of the Seller of which of the pre-settlement inspection dates and times proposed by the Seller are accepted by the Buyer. The Seller shall make every reasonable effort to designate the dates and times for the pre-settlement inspection reasonably convenient to the Buyer.

B. The Seller shall allow a reasonable time for the Buyer or the agent of the Buyer to conduct the pre-settlement inspection and shall provide the Buyer or the agent of the Buyer with reasonable access to the interior and exterior of the new home and the real property being conveyed, if applicable. At the time of the pre-settlement inspection, the Seller shall arrange to have all utilities servicing the new home to be connected and turned on in order for the Buyer or the agent of the Buyer to inspect and test all fixtures, electrical, mechanical, including appliance, plumbing, heating and air-conditioning systems as installed in the new home.

C. Both the Buyer and the Seller, as well as the agent of the Buyer and the agent of the Seller, if requested to do so by their respective clients, may attend the pre-settlement inspection.

D. The right of a buyer to a pre-settlement inspection as provided for in this Subtitle may not be waived in the contract of sale, and any such purported waiver may not be enforced by the Seller in a court of law.

3. NEW HOME - ORAL STATEMENTS, REPRESENTATIONS, WARRANTIES AND PROMISES.

Any oral statements, representations, warranties or promises made to you prior to your execution of the Contract by the Seller or agent of the Seller may not be enforceable by you against the Seller or agent of the Seller in any subsequent legal or administrative proceeding unless such statements, representations, warranties or promises are in writing and signed by yourself and the Seller, or agent of the Seller. Any statements, representations, warranties or promises made to you by the Seller or agent of the Seller, upon which you rely, and which are not contained in this printed contract of sale form must be stated in a written addendum attached to the Contract form which is to be signed by both yourself and the Seller in order to make such statements, representations, warranties or promises part of the agreement between yourself and the Seller and enforceable in any legal or administrative proceeding.

5. NOTICE TO BUYER - HOWARD COUNTY PROPERTY TAX.

DUE TO A VARIETY OF MARYLAND PROPERTY TAX CREDIT PROGRAMS, THE BUYER'S PROPERTY TAX BILL MAY BE SIGNIFICANTLY DIFFERENT THAN THE TAX BILL PAID PREVIOUSLY BY THE SELLER OF THE PROPERTY. BUYERS SHOULD CONTACT THE HOWARD COUNTY DEPARTMENT OF FINANCE FOR AN ESTIMATE OF THEIR PROPERTY TAX OBLIGATION.

The Howard County Department of Finance is located at: 3430 Court House Drive, Ellicott City, MD 21043 and may be contacted in person **OR** by telephone at (410) 313-2195 **OR** visit the Howard County Citizen Self Service for Real Estate Property Taxes web site at: <http://howardcountymd.munisselfservice.com/citizens/RealEstate/Default.aspx?mode=new>. (Enter property address and click search, then select "Charges Exemptions Credits.")

6. NOTICE TO BUYER - RADIUM IN WELL WATER.

According to the Howard County Health Department, Bureau of Environmental Health, a water quality survey indicates that elevated levels of naturally occurring radium and uranium have been found in some wells located in the Baltimore Gneiss formation. **Properties serviced by public water are not impacted.** Property Owners in the affected area are required to test new and replacement wells and, if applicable, install a treatment system prior to being granted a Certificate of Potability and putting the well into use. There are no regulations that require private owners of existing private wells to meet US EPA drinking water standards for radioactivity. The radium and uranium levels in well water may be determined through water analysis tests performed by the Howard County Health Department or by an environmental testing firm approved by the Howard County Health Department. Buyer may obtain a copy of a brochure entitled "Radionuclides & Your Well Water: A Homeowner's Guide," which brochure includes a general map of Howard County showing the potentially affected areas as well as a list of approved environmental testing firms from the website of the Howard County Health Department at <http://countyofhowardmd.us/WorkArea/linkit.aspx?LinkIdentifier=id&ItemID=4294969374>.

If the Property being purchased is served by a private well and if Buyer is concerned about radium and uranium levels, Buyer, prior to execution of this Addendum, should download and read the brochure and consider whether to include a contingency in the contract of sale to provide for a well water quality test by the Howard County Health Department or by an approved environmental testing firm.
